Announcing:

KUNG FU

The Road To Physical Strength & Mindfulness.

For centuries, Shao Lin Kung Fu has been known as the father of all martial arts and the official physical training of Shao Lin Monks. The arts has been extremely guarded and passed on to only a few chosen one.

Approach of the peaceful warrior

Through kung fu you will gain balance, coordination and muscle toning. Our system is a complete system. Training involves striking using hands, feet, elbows and knees. To complete this effective fighting system throws, joint holds and grappling are taught.

Meditation and Health

One of the few martial arts systems to still practice mediation, kung fu clears the mind, brings peace to the body relieving the stress of everyday life. Just as this system helped bring health and protection to the monks of hundreds of years ago, kung fu can bring benefits to the modern student.
